

KOHL'S

Fundraising Card Program

Kohl's Fundraising Cards are available in denominations of \$25 or \$100. The amount you earn depends on the total amount of orders placed by the team. If the team order is \$1,000 or more, you'll earn 5%. For smaller team orders, we will convert your order to Scrips for 4% earnings. Best of all, Kohl's accepts gift cards as payment on your Kohl's charge so you can plan your order accordingly. Of course, you can also shop with the cards or give them as gifts.

To place an order, provide the information requested below, write a check for the total made payable to SFF, mark "Kohl's" on your envelope and put in the pool lockbox. For questions, e-mail krislimbert@fuse.net.
